Troubled Badly for Several Years With Eczema on Limbs and Wrists - Physicians Prescribe Without Any Benefit - Biotches Now All Gone.

ANOTHER WONDERFUL CURE BY CUTICURA

"For several years I was troubled budly with an eczenia on my limbs and wrists. Physicians in several towns had prescribed for me without giving me any results. I had often used. Cuticura Ointment and reseived relief temporarily. In the spring of 1904 I took the Cuticura Resolvent itals and used the Cuticura Resolvent itals and used the

whicostinue to do so every spring simply as a spring tonic, as they are so easy to carry with you, and they certainly fix your blood for the ensuing year. I now use only Cuticura Soap.

"The Cuticura Ointment and Pills certainly cured me of an aggravated case of evenua, and if it will help any other sufferer you are at liberty to use this letter. Respectfully, St. Chair Mc-Vicar, San Antonio, Texas, July 6, 1905."
